

# Come Together to Overcome.

We can stop the spread of COVID-19  
*We're rural strong*

While we're not physically out and about, this community is always together when it matters most. What we are dealing with as a healthcare provider, a community, and as a country is different than anything we've faced before. But like so many things, when we come together, we can accomplish anything. With your help, we can overcome this crisis—and help our neighbors who are most vulnerable.

Visit [www.threerivershospital.net/covid-19-information](http://www.threerivershospital.net/covid-19-information) or [www.cdc.gov](http://www.cdc.gov) for updates on COVID-19 and what you can do to protect yourself.
